Trip Summary

Between Troop 175 and Pack 447 we collected over 1,920 pounds of food for The Second Harvest Food Bank. (This is comparable to last year's total.) This event is a major source of food for the holiday season.

Both the Troop and the Pack have participated in this event for many years, making the holiday season a little nicer for many families.

This year we even got a short article in the Foster City Islander, their December 1 edition.

Thank You, Foster City

The local Boy Scout Troup 175 and Cub Scout Pack 447 would like to thank the residents of Foster City for participating in their annual "Scouting for Food" drive.

The Scouts were able to collect more than 1,920 lbs of food for the Second Harvest Food Bank. Due to your generosity many families less fortunate than us will be able to enjoy this Thanksgiving.
